

Learn To Play Golf in Just Five Days

Seminole Lake Country Club is proud to announce that we have teamed up with **The PGA of America** in a program called **“Get Golf Ready In Five Days”**. If you have ever thought about picking up a club, either again or for the first time, this program will introduce you to the game of a lifetime. The “Get Golf Ready” program is done in a group lesson format with other beginning players and is designed to teach you in five short lessons everything you’ll need to know to step onto a golf course and play with confidence. Lessons include on-course activities guided by seasoned PGA professional instructors who will make sure you have fun each step of the way.

Day 1. Awakening the Golfer in You

During this lesson you’ll learn: putting, golf etiquette, what equipment you’ll need and familiarity with the facility and course.

Day 2. Become One with the Course

During this lesson you’ll learn: chipping, pitching and greenside bunker shots, familiarization with a golf cart, proper warm up techniques, how to care for the course and speed of play.

Day 3. The Turn

On the third day you’ll learn: how to use your irons, basic on-course rules, order of play and how to play your irons out of different course conditions.

Day 4. Driving School

On the fourth day you’ll learn: how to use your woods, how and where to tee off from, which tee markers to use, where to park your cart on the golf course and basic on course safety.

Day 5. Take Your Swing

On the final day you’ll learn: how to keep score, navigating the entire golf course, how to interpret on course signage, tips for playing in outings and tournaments and upcoming opportunities to play golf.

After you have graduated from the **Get Golf Ready** program you will be ready to come back and play in the Graduate Outings. These outings are geared to continue your skill development using fun and casual formats. Mentors will be on hand to help you with your game during these outings to make sure you have fun as you begin your game of a lifetime.
